All signs are supplied with the addition of a free universal paper template.

## GLASS EFFECT DIRECTORIES

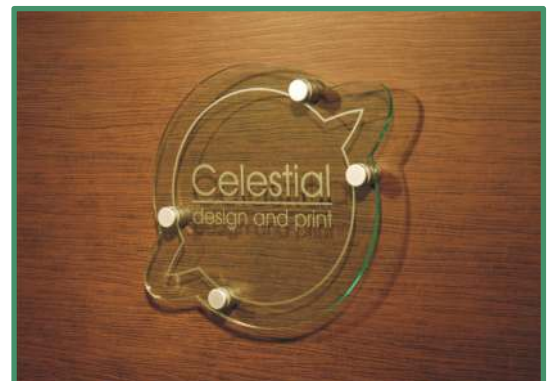

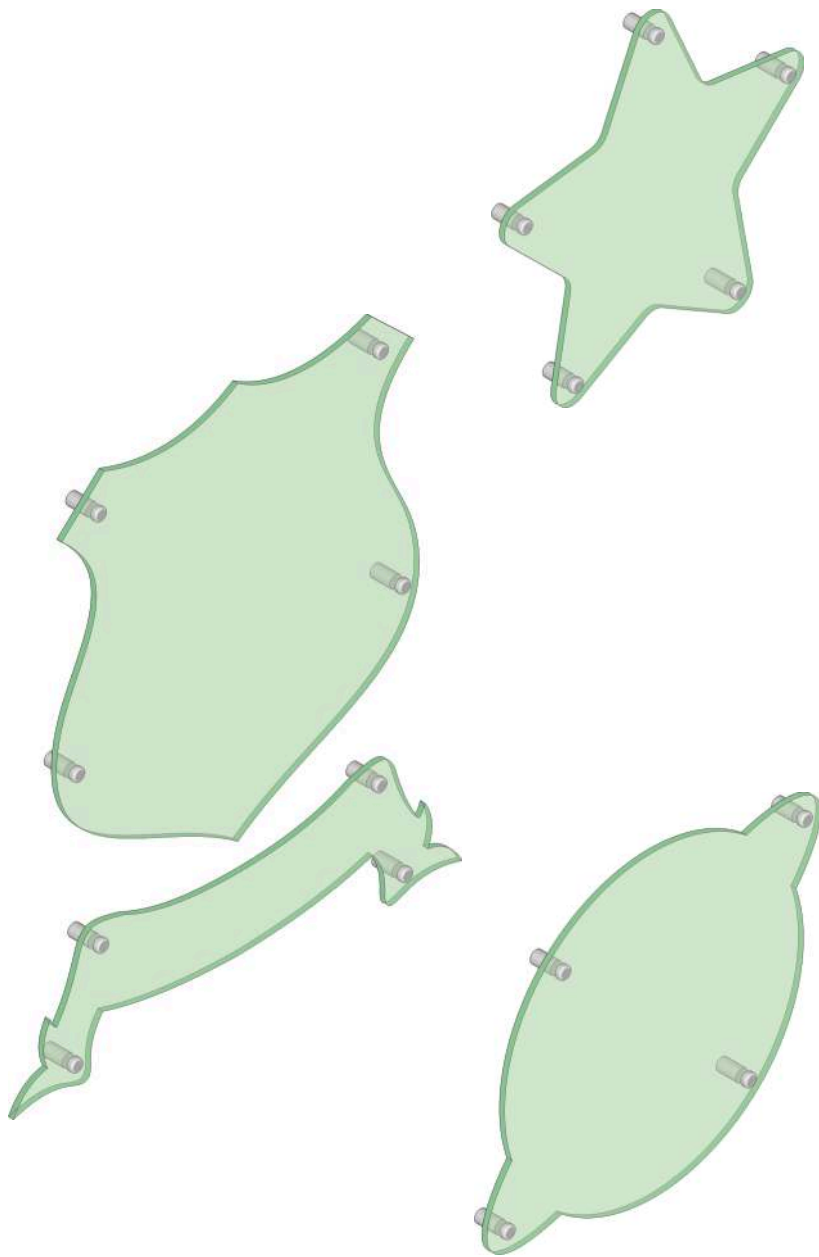

10mm thick glass effect signs, laser cut for perfect alignment. Supplied at stock sizes with stand-offs, next day to your door.

All signs are supplied with the addition of a free universal paper template.

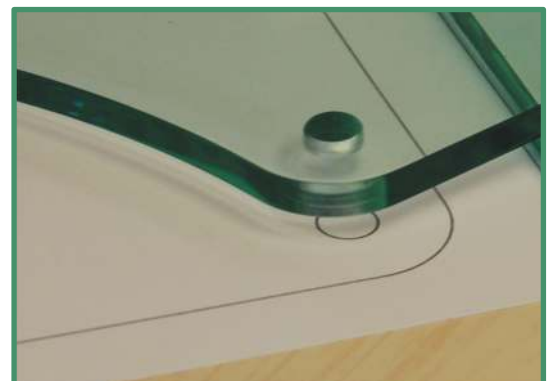

## BESPOKE GLASS SIGNS

3, 5 & 10mm thick glass effect signs cut to your specification, within 5-7 working days.

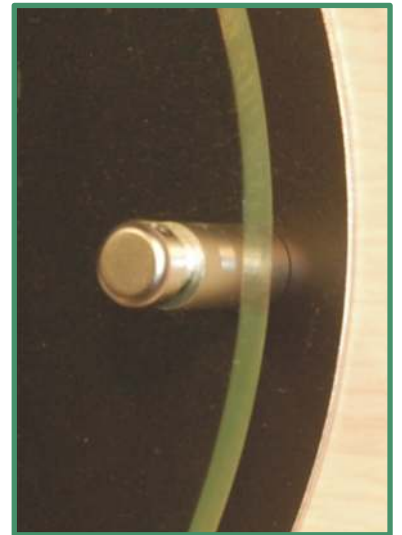

## UNIVERSAL PAPER TEMPLATE

All signs are supplied with the addition of a free universal paper template.

## OPTIONAL BACKING PANEL

Order any of the glass effect signs with an optional backing panel that will enhance vinyl graphics from behind. Supplied in a standard range of colours, the backing panel also acts as a template for easy fitting.

## STAND-OFF CONNECTORS

Stand-off connectors are available in two different finishes - silver satin and chrome.

Like all Ashby products they are easily assembled in minutes giving a neat and tidy finish with a minimum of effort.
