

BANNERFAST 90 & 180 BANNER LAYOUT

Sample size is 700mm x 1000mm

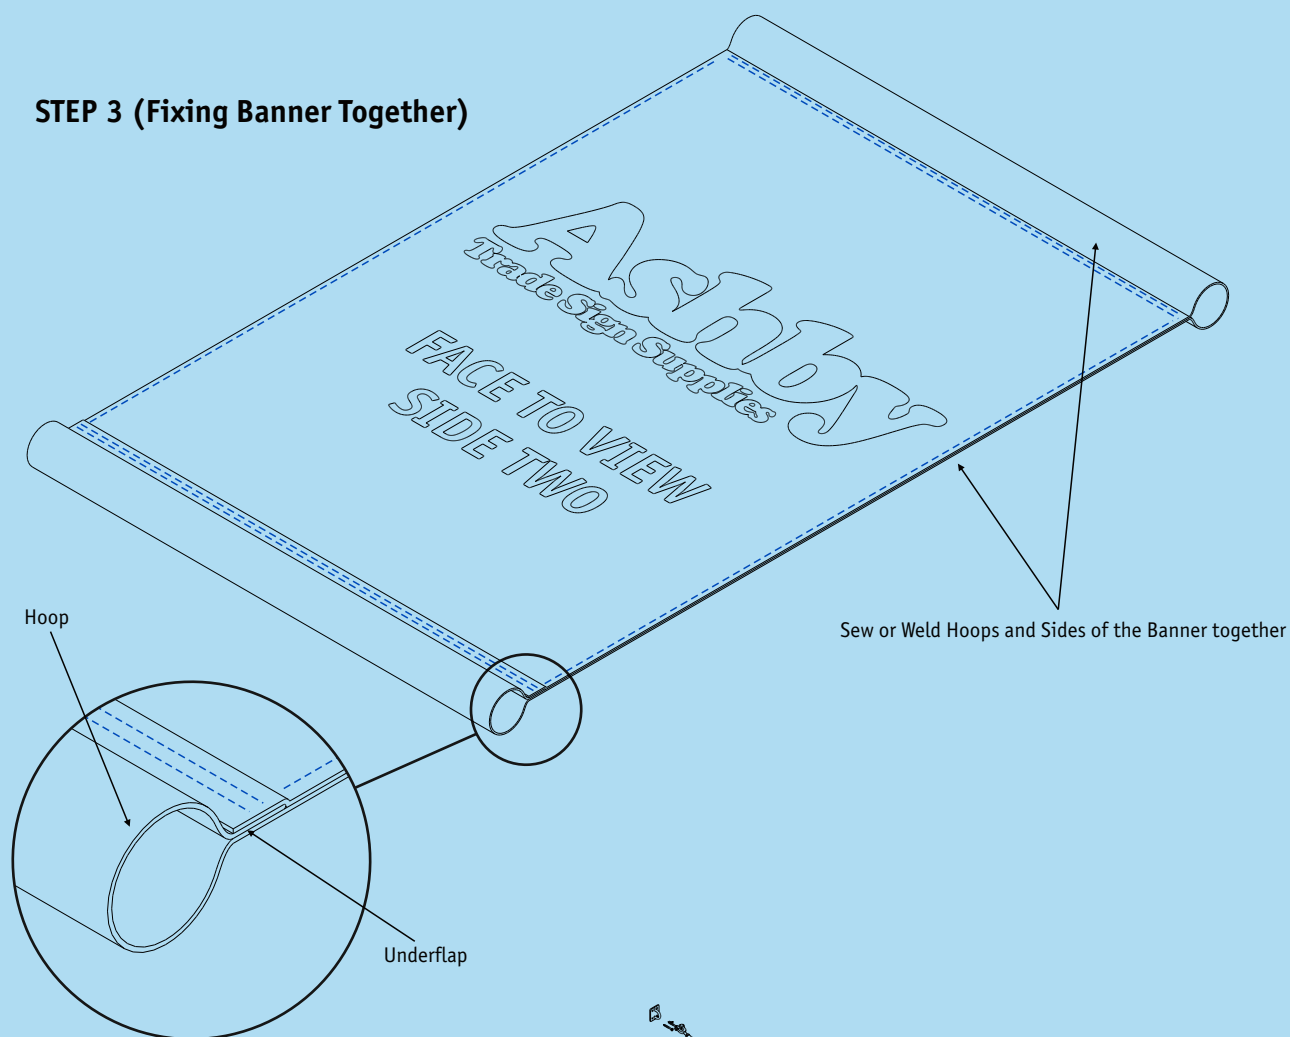

STEP 1 (Layout of banner before printing)

STEP 2 (Bending of the Banner)

STEP 3 (Fixing Banner Together)

STEP 4 (Fit Banner to BannerFast)

Banner Eyelets

Are recommended on the top hoop of the banner to suit the nut inserts on the top of the BannerFast to screw through, which will stop the banner from sliding
